DEADLINE FOR OFFICIAL/UNOFFICIAL/PERSONAL NOTICES IS WEDNESDAY, 9:00 am

OFFICIAL

FLAGS AT HALF STAFF: The flags of the United States will fly at half staff at the Kennedy Space Center and throughout NASA on January 26, 2006, in observance of NASA Remembrance Day. NASA Remembrance Day is the day the Administrator has set aside to remember the astronauts who died in the exploration of space. We remember especially those lost in the Apollo 1 fire, the Challenger accident and the Columbia accident. (TA-G)

FLAGS AT HALF STAFF: A United States flag, flown over the Kennedy Space Center, will be presented to the family of Mark A. Kuring, an LPS CCMS Field Technician, with United Space Alliance. This presentation will be made by United Space Alliance management as a token of gratitude for his service to the National Aeronautics and Space Administration. Mr. Kuring died on January 11, 2006. (TA-G)

FLAGS AT HALF STAFF: On January 20, 2006, a United States flag, flown over the Kennedy Space Center, will be presented to the family of Bradford C. "Brad" Welliver, a Thermal Protection System/Thermal Protection Control Inspector with United Space Alliance. This presentation will be made by United Space Alliance management as a token of gratitude for his service to the National Aeronautics and Space Administration. Mr. Welliver died on January 13 and his funeral will be January 20.

INSPECTOR GENERAL: The Office of Criminal Investigations (OCI) is the investigative arm of the NASA Inspector General (IG). The OCI is an independent entity and reports directly to Robert Cobb, the NASA IG, in Washington D.C. The primary mission of this component is to conduct criminal and civil investigations of reported or suspected fraudulent acts by employees, contractors, and others relating to the administration of NASA contracts and programs. Although emphasis is placed on major procurement fraud, (particularly allegations of defective/substandard parts, mischarging, kickbacks, bid rigging, and research fraud), investigations are also conducted of theft, conflict of interest, environmental and hazardous waste violations, health care fraud, and computer related crimes. OCI also provides fraud briefings for Government and contractor employees that are designed to highlight potential risks concerning fraud and related matters. Suspected violations can be reported by calling 867-4714 locally, the toll free Hotline at 1-800-424-9183, or by writing NASA Inspector General, P. O. Box 23089, L'Enfant Plaza Station, Washington, D.C. 20024. The OIG Cyber-Hotline can be accessed at www.hq.nasa.gov/office/oig/hq. (OIG)

CRIME PREVENTION NOTICE: There has been a recent noticeable increase of property thefts on the Spaceport. Most of the losses can be attributed to the lack of physical controls and accountability. Although we work on a closed installation, crime does and will occur. It is your responsibility to take an active role in securing your job site. The following recommendations may help you secure your valuable equipment and property: (1) Have a lockable construction container on the job site to secure small tools and equipment. (2) Ensure all your property is engraved, marked, painted or otherwise easily identifiable as your property. (3) Conduct an inventory of job site property, to include model and serial numbers, photographs, cost, etc. (4) Inventory your equipment and supplies at least once per day. (5) Report any loss immediately. Both KSC and CCAFS have anonymous Crime Tip Hotlines to report any possible criminal activity or suspicious acts. For KSC the number is 861-6000 and for CCAFS 476-6000. SGS also offers a work area inspection to provide you with suggestions to improve your overall job site security. For more information, please call Crime Prevention at 476-4041. (TA-G)

MISUSE OF THE NASA INSIGNIA: Use of the computer templates, containing the NASA Insignia, for the production of NASA letterhead in electronic form is not authorized and should be removed from all computer systems. The Associate Administrator for Public Affairs has requested all NASA centers use only the printed NASA letterhead stationery. "The use of computer file NASA Insignias to custom design stationery provides opportunities for image manipulation and standards degradation which will adversely reflect the professional image of the Agency." If not approved for specific applications, electronic images of the NASA Insignia ("meatball") should be removed from computer systems. (TA-E1)

RIDESHARING PROGRAM: If you are interested in joining an existing car/van pools or forming a new one, contact the Space Coast Commuter Assistance (SCCA) at 952-4563, ext. 301, or www.ridescat.com. Click on the "Space Coast Commuter Assistance" tab, then "carpool matching" or "vanpool matching." Fill out the "information Request Form" online, and submit it. The information provided on the form will be fed into a computer which matches people by residential areas and compatibility of work hours. SCCA will mail the submitter a list of potential car/van poolers. (TA-E1)

REPORTING EMERGENCIES: To report any emergency on KSC, whether it is fire, security, or medical related, (including possible hazardous commodity exposure); dial 9-1-1 or 867-7911 from a cell phone. For walk-in type first-aid treatment, the Occupational Health Facility is open Monday-Friday from 7:00 am to 5:00 pm, and the Launch Area Clinic is open Monday-Friday 7:00 am to 3:00 pm. Hours other than those, call 9-1-1 for emergencies and/or first aid type treatment. After normal working hours, the non-emergency medical related assistance will be coordinated through the 9-1-1 operators. (TA-G)

THE HEW COUNCIL INVITES YOU TO GET INVOLVED: Are you interested in health and wellness issues at the spaceport? If so, come to a HEW Council meeting! The HEW (Health Education and Wellness) Council is comprised of representatives from NASA, contractor, and PAFB employees who come together to support, discuss, initiate and communicate health and wellness activities, events, and issues at the spaceport. Any employee is welcome to attend the meetings which are held the second Wednesday of each month at 10:30 a.m. in OHF Library Conference Room.

If you are interested in attending or would like to know who is representing your company/employee group on the Council, please contact Kris Calderon, Health Education Administrator and HEW Council Chair at 867-3414; e-mail: Kristine.Calderon@jbosc.ksc.nasa.gov (TA-C2)

KSC/CCAFS HEALTH EDUCATION & WELLNESS PROGRAM (HEWP)

JANUARY 2006 PHYSICAL ACTIVITY PROMOTION: We all know it – we need to exercise more! However, you don't need to join a gym or engage in a rigorous exercise routine to receive major health benefits from physical activity. Just engaging in regular physical activity – e.g. walking, biking, swimming, dancing, etc. for at least 30 minutes on most days of the week can provide optimal health benefits. Read this month's packet on physical activity promotion to find out how you can incorporate physical activity into your day.

Hardcopies of the Physical Activity Promotion packet is available at all medical and fitness facilities. If you or your department/organization would like to be added to the monthly packet hardcopy distribution list, please call Kris Calderon at 867-3414. The packet will also be available on the new HEWP website: <http://hewp.ksc.nasa.gov> (this site is outside the KSC firewall!).

NUTRITION EDUCATION FOR WORKERS AT THE SPACEPORT (N.E.W.S.) PROGRAM: The N.E.W.S. program was created to educate workers at the spaceport about nutrition. The program includes a comprehensive website with an e-mail mechanism to ask nutrition questions, requested lectures, and special events. Check out the current NEWS website at <http://hewp.ksc.nasa.gov/Content/NEWS/NEWS.htm>

FUEL FOR WOMEN:

Fuel 4 Women Newsletter: This month's Fuel 4 Women newsletter is on body image. The newsletter will be available at all spaceport clinics and fitness centers and will be distributed at this month's Health Education Information Table.

- **Walking Groups:** The walking groups will resume on January 9, 2006. Come walk with us and get in your physical activity! More days, times and/or locations will be added as requested/needed.

Tuesdays -12:00-12:30- O&C trail
Thursdays- 12:00-12:30- O&C trail

Fuel 4 Women List Serve: All women at the spaceport can join the Fuel 4 Women list serve where monthly newsletters and program announcements will be e-mailed to list serve members each month.

Please contact Jessica Crews, Health Education Intern at Jessica.Crews@jbosc.ksc.nasa.gov for more information about or ideas for *Fuel 4 Women* and to join the list serve.

ALUMINUM CAN RECYCLE PILOT PROGRAM: KSC implemented an aluminum can recycle pilot program on November 15, 2005 which will end on February 28, 2006. The pilot program will focus on the Headquarters and O&C Buildings only. Each facility has three containers placed on floors one through three at the east, central and west end of the building and another container is located at the entrance of each cafeteria. When the containers are full, Yang janitorial employees will remove the bags from the cardboard recycling boxes and drop the bag into the large red cages provided outside of each facility. These cages are located on the east side of the HQs Building and the west side of the O&C Building and are clearly marked with aluminum can recycle signs on three sides. Keep in mind that this is a pilot program and the containers provided are all that are available at this time. Employees are encouraged to incorporate their cans into the KSC pilot program, as a reminder though, once you place your cans into the KSC provided container, they become government property and cannot be removed from the containers.

MEMORIAL SERVICE TO HONOR THE CHALLENGER ASTRONAUTS AT THE SPACE MIRROR MEMORIAL: A public memorial service will be held in honor of the crew of Challenger STS-51L on Saturday, January 28, 2006. The ceremony will take place at 10:00 am at the Space Mirror Memorial at Kennedy Space Center Visitor Complex. The ceremony, hosted by The Astronauts Memorial Foundation, will include June Scobee Rogers, wife of the late Francis "Dick" Scobee, commander of the Challenger flight; their son, Lt. Col. Richard Scobee; James Kennedy, Kennedy Space Center Director; William H. Gerstenmaier, NASA's Associate Administrator for Space Operations; Rick Hauck, commander of Discovery on the first post Challenger mission; and Joseph P. Allen, Ph.D., astronaut and Challenger Center for Space Education Chairman. The public is invited and there is no charge to attend. Kennedy Space Center Visitor Complex will provide flowers for all ceremony guests and visitors throughout the day to place at the memorial. For more information, call 321-449-4444.

BLOOD DRIVE: Everyone is welcome to donate! Central Florida's Blood Centers has scheduled the following blood drives for the month of January: 1/25 In front of Headquarters, from 8:00 am - 2:00 pm. Contact Ruth Wilburn at 632-2052.

Let's start 2006 by giving the gift of life! Donors will receive a special "Thank You" gift for donating. Don't forget to bring your Club Red card to receive discounts to Darden Restaurants. For more information on giving the gift of life, check out **www.floridasbloodcenters.org**.

SPACEPORT ROCKETRY ASSOCIATION: SRA will hold its monthly high power sport rocket launch this Saturday, January 21, from 11:00 am to 4:00 pm at its Palm Bay launch site. Current FAA waiver allows for flights to 10,000 ft. AGL. Launch equipment can accommodate rockets powered in the A through O motor classes (1/2 lb.-sec. through 9200 lb.-sec. impulse). M through O requires prior coordination. The website at **<http://www.spaceportrocketry.org>** will give club information as well as a list of officers to contact for directions to the launch site. Additionally, after 7:00 am on the morning of the launch, the latest launch status is given by recorded message at 772-564-9361 (useful information if the weather appears marginal).

FREE BEGINNING BIRD WATCHING TOURS JANUARY 2006: Take a driving tour around Merritt Island National Wildlife Refuge with a trained U.S. Fish and Wildlife Service volunteer to learn how to identify the many birds that frequent the refuge. There is one tour that leaves at 9 am on the scheduled dates from the Refuge Visitor Center and lasts for approximately three to four hours. Please contact Nancy Corona at 321-861-0668 or by email at **Nancy_Corona@fws.gov** to make reservations. Suggested items to bring include binoculars, camera, field guides, water and a snack. Loaner binoculars are available.

Tour Dates:

Sundays: January 22 & 29

Thursday: January 26

Saturday: January 28

The Visitor Center is located on SR 402, 5 miles east of U.S. 1 in Titusville.

MANATEES AT THE REFUGE: Merritt Island National Wildlife Refuge will host a program about Florida's most endearing resident, the Florida manatee, on Saturday, January 28, 2006 at 11:00 am. This 30-minute program will take place at the refuge's Manatee Observation Deck located at Haulover Canal on State Road 3 and will discuss facts about manatees, challenges to their survival and protection efforts. Visitors may even have the chance to see a live manatee! Come join us for this exciting program for all ages. For questions or more information, call Nancy Corona at 321-861-0668 or email **nancy_corona@fws.gov**

UNIVERSITY OF MIAMI (Cape Canaveral Programs): The University of Miami will begin accepting applications for the Master of Science in Management of Technology (MSMOT) starting February 2006 and the Master of Science in Industrial Engineering (MSIE) starting March 2006. Both programs will be taught in Cape Canaveral. Courses are held Friday evenings and Saturdays to accommodate working professionals. For more information and to receive an application/brochure, please call Mr. Augusto Roca, Program Administrator at 305-284-4100 or send email to **augusto@miami.edu**
